NEWS

Welcome!

Are you able to think outside of the box? Are you ready to become a part of a non-traditional solution to an international crisis? Are you ready to help solve the crisis of multinational corporations which are orchestrating the world's dependence on oil-promoted warfare, destroying our environment, promoting child labor and sweatshops, and reducing employee wages and worker protections? If so, then you are ready to learn about the People's Empowerment And Collective Exchange dollar, also known as the peace dollar. We welcome your questions.

Would you like to help with distribution?

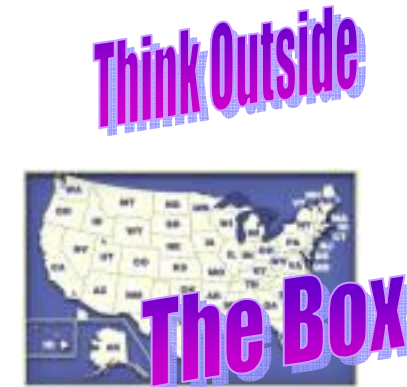

The Peace & The Press is free. If you would like to distro it, the only thing you have to do is print it from our website. If you plan to distro over 300 copies, we recommend that you save it to disc and have a printshop publish it onto recycled newsprint which will cost a lot less for you and the environment. If you distro over 200 copies, you can let us know if you like, and we will include you on our list of distros. Thanks for your help!

ABWWR Peace Network has seven different communities which will form the entire network. Those seven communities are:

- Peace Activist Support Community
- Public Access Accounting Community
- Peace Dollar Daily Operations Community
- The Nationwide Person-to-Person, Grassroots Outreach Caravan
- Future Planners Community - The planners of the electronic peace dollar debit card – Project Completion date-June 2010
- Alternative Media Community
- New Member Recruitment Community

Currently, all positions are volunteer positions. Some independent volunteer positions only require 2 hours per year. See: www.freewebs.com/abwwrpeace/2hours.htm.

However, by June of 2006, we plan to provide a stipend to each and ever volunteer for every 20 hours of work.

In many community currency programs throughout the world, all members of community currency programs are
