

Breaking the Rules

Henry Miller went to school
Proceeded to break every rule
No, not just one or maybe two
But every one that's in the school!

He yelled!
He ran!
He stomped and shouted!
He snarled!
He pushed!
He cried and pouted!

He groaned!
He whined
And he complained!
He screamed!
He sighed!
Have I explained?

Henry Miller broke the rules
He acted like a creature!
And the thing that makes it worse
Is that he is my homeroom teacher!
