

Last Minute Contact Form

If in the event we need to do a mass communication due to changes in practice, events, etc, it would be helpful to know the best way to reach you "last minute". We do have many times when practice is cancelled or meets are cancelled due to mother nature, fires, chemical issues, or maintenance issue that impact the swimming schedule for that day. If we can avoid making several phone calls and send out a text message or email to a group that is the most preferred way.
