

Parent Volunteer Responsibility-PLEASE READ CAREFULLY!

Dear Dolphin Families,

Welcome to the 2018 ALT Dolphins swim season! We are excited for all the swimmers to get back in the pool and would like to welcome our new swimmers!

The team could not happen without parents like you and we appreciate all the help you provide. Swimming is a family sport. Parent help is needed to make the season a success! This year all families will be required at registration to leave a deposit check of \$300.00 to be returned upon the completion of the required volunteer shifts:

★ Families are required to complete a designated number of volunteer shifts (including regular season shifts PLUS at least **1 shift at Champs**). The number of shifts will be determined by enrollment numbers, currently estimated 8 shifts of volunteer service (7 regular season swim meet shifts PLUS 1 shift at Champs) for the 2018 season.

Families who do not complete the minimum required shifts during the regular season and 1 shift at Champs will be contributing their deposit towards the Dolphin's account in order to cover end-of-the-year expenses. Deposit checks will not be cashed until after Champs, providing all families the opportunity to complete their minimum required hours.

All volunteer hours will be emailed by the Volunteer Coordinator each week after the swim meets in order to track your family's hours easily.

There are a variety of fun-filled volunteer activities throughout the season for your family to participate in, including, but not limited to: Stager, Timer, Lane Slip Runner, Stroke & Turn Judge, Computer/Recorder, Ribbon Writer, Set-up, and Snack Bar. We will be using "Volunteer Spot", an online sign up. All of the meets and shifts will be posted through the website and everyone will have access to sign up after Back to Swim Night. If you do not have a computer or have issues signing up, please contact the Volunteer Coordinator (Cara Crow, 530-334-3696 or cara.crow2718@yahoo.com) in a timely manner. If you sign up for a shift and find that you are unable to fulfill your position, go to the web link that will be provided and remove your name. Each Thursday before a meet, the website will become locked and no changes can be made. Only the Volunteer Coordinator can make changes. If you find yourself unable to fulfill the commitment, please contact the Volunteer Coordinator.

To stress the importance of our volunteers for the success of our meets, the Board will be offering incentives for those families willing to go above and beyond their required shifts throughout the regular meets and Champs. We cannot do this without your help!!

I understand the following Parent Volunteer Policy and agree to its terms.
