

Donation and Offering Form

For NZ Donations

Dear friend,
Kidsreach in 2008 is directly involved in missions projects in 4 countries that we have chosen because of the needs of children there and because we know the people working there are trustworthy and will build on the training and resources we will be providing.

Each of the projects (as outlined in the brochure) are an important mission to equip workers to help children who are suffering.

The funds that are donated will be used for the aid and development work of Kidsreach.

We know everyone has different capacities to give. Some will be able to give a few dollars, others may sponsor a whole project. All are appreciated.

You can donate in various ways, so please use the method that best suits you. Some prefer to give anonymously, but if you give us your details, we will send you a report at the end of the project and a receipt.

Thank you for your concern.

Regards
David Goodwin

1. By Mail

Please fill in this form and post your cheque or credit card details to:

Kidsreach PO Box 305, Waikanae, 5250

2. By direct deposit:

Kidsreach Charitable Trust

Westpac Bank, BSB 031531 Account No.: 0035418 02

As your reference, please quote the code beginning with J. for the country and project you wish to donate to. (See below).

For your receipt, please either email the details to: lynettecollis@kidsreach.org.nz, with your name and address and the date and amount you made the direct deposit.

Or post this form to **Kidsreach, PO Box 305 Waikanae**, showing the same details.
