Name:	Phone #		
Preferred Flavor:	# of boxes	Amount due	Office use:
Milk Chocolate		X \$36	
Milk Chocolate w/Rice		X \$36	
Milk Chocolate w/Almond		X \$36	
Milk Chocolate w/Caramel		X \$36	
Totals:			

This will be your last Chance to raise money toward your commitment fee and/or the team.

This opportunity will be provided if 36 minimum boxes (9cases) are pre-paid by January 18. This will ensure delivery by February 1st, just in time for Valentines Day. If we are unable to place an order, due to lack of minimum order, your payment will be refunded.

How this works:

You purchase a box of candy bars for \$36.00 (36 2 oz. bars per box), and sell the bars for 1.00 each. You have recouped your money. Once the order is placed there are no refunds so choose wisely.

We will apply \$ 14 to your commitment fee balance for this year.

We will apply \$ 4 to the team to cover budgetary expenses.

We will send \$ 18 to Fannie May to cover the cost of the candy bars.

We must place the order to Fannie May for a minimum of 9 cases, with 4 boxes of the same flavor in a case. Therefore, you may request, but are not guaranteed a certain flavor.

If you wish to Mix and Match, you will have to work out a trade with another seller.

Order forms will be due January 18. If you have any questions, please contact Angie Harrington at 815-215-8475, or at Cudasparents@yahoo.com
