

## **Recognition of the Libyan Republic**

As the existence of a state mainly is a matter of fact and not a matter of law, and the Great Socialist People's Libyan Arab Jamahiriya must be considered fallen, the Bjorn Socialist Republic is compelled by international law and the sound principles of self-governance, to hereby recognise the Libyan Republic, as the successor of the Great Socialist People's Libyan Arab Jamahiriya.

August 23, 2764 AUC (2011 Christian time)

On advice of Foreign minister Adu Faisal Bin Mhammad Hamdaware Ibn Batich Abu Ibrahim, in the name of Bjorn and Socialism,

Oskar Augustsson  
President of the Bjorn Socialist Republic
