

Chemistry Club minutes from October 8, 2004

- The chemistry club outing to Proctor & Gamble is still under consideration.
- The resume/cover letter seminar will be held on November 12, 2004 at 11 am in Roney 304. All chemistry students and club members are welcome to attend.
- Keep Sumter Beautiful community service project will be held on October 30, 2004 at 9 am at Town Creek in Americus. Directions will be available on the chemistry club web site.
- The club officers viewed the old chemistry lab safety video. We felt that the video was out dated and need a change. The safety video practice will be held on **Saturday October 30, 2004 at 1 pm** after the Keep Sumter Beautiful clean up. We are going to practice before we actually video tape the video.
- A Dinner and a movie will be held on Monday October 18th at 6pm in Roney 304. A \$3 fee is mandatory to cover the cost of food and drinks. The \$3 fee can be given to the Treasurer Dana Ross. The last dinner and a movie went well. The chemistry club didn't have to spend its funds. The \$3 fee covered all of the food cost.
- The next club meeting will be held on Friday October 29th at 1 pm to discuss the Keep Sumter Beautiful community service project. If you are unable to attend the meeting, directions to Town creek will be posted on the web page.
