

The chemistry club meeting was held on Wednesday, November 10<sup>th</sup>

- The Proctor and Gamble outing has been scheduled for January 21, 2004. The members will meet at 1:30 pm at the school. The tour will begin at 3:00pm.
- The filming of the chemistry club video will be held on Friday, November 19 & Saturday November 20<sup>th</sup> at 2:00 pm. It is necessary for club members to participate in one of the above dates, so we can at least finish the filming of the video before the semester is over. The club officers would appreciate it if all members would attempt to attend this fun an exciting project. This project is part of the chemistry club's contribution to future GSW students.
- The resume and Cover letter workshop will be held on **Friday, November 12<sup>th</sup> at 11am in Roney 304**. All students are invited to attend. This is a campus wide event.
