Minutes

Chemistry Club Minutes from September 1, 2004

Officers were elected:

- President- Tameka Rolle
- Vice President- Courtney Ross
- Secretary- Lesley Nathasingh
- Treasurer- Dana Ross
- IOC Representative and Web Master- Tuquan Goss

Discussion:

Organizations on campus can **Win Money** by participating in events on campus and the organization that does the most will win the most money. The club agreed that we could get together and participate in the activities.

The new and former club members discussed a few possible projects that we can do this semester.

- A trip to Albany to Proctor & Gamble (possible ideas for careers)
- Filming of the Lab Safety Video
- Speakers from Graduate school
- A community service project with Keep Sumter Beautiful (depending on the date)

The next meeting will be held on Friday September 17th at 11 a.m.
