

Art in the Trees

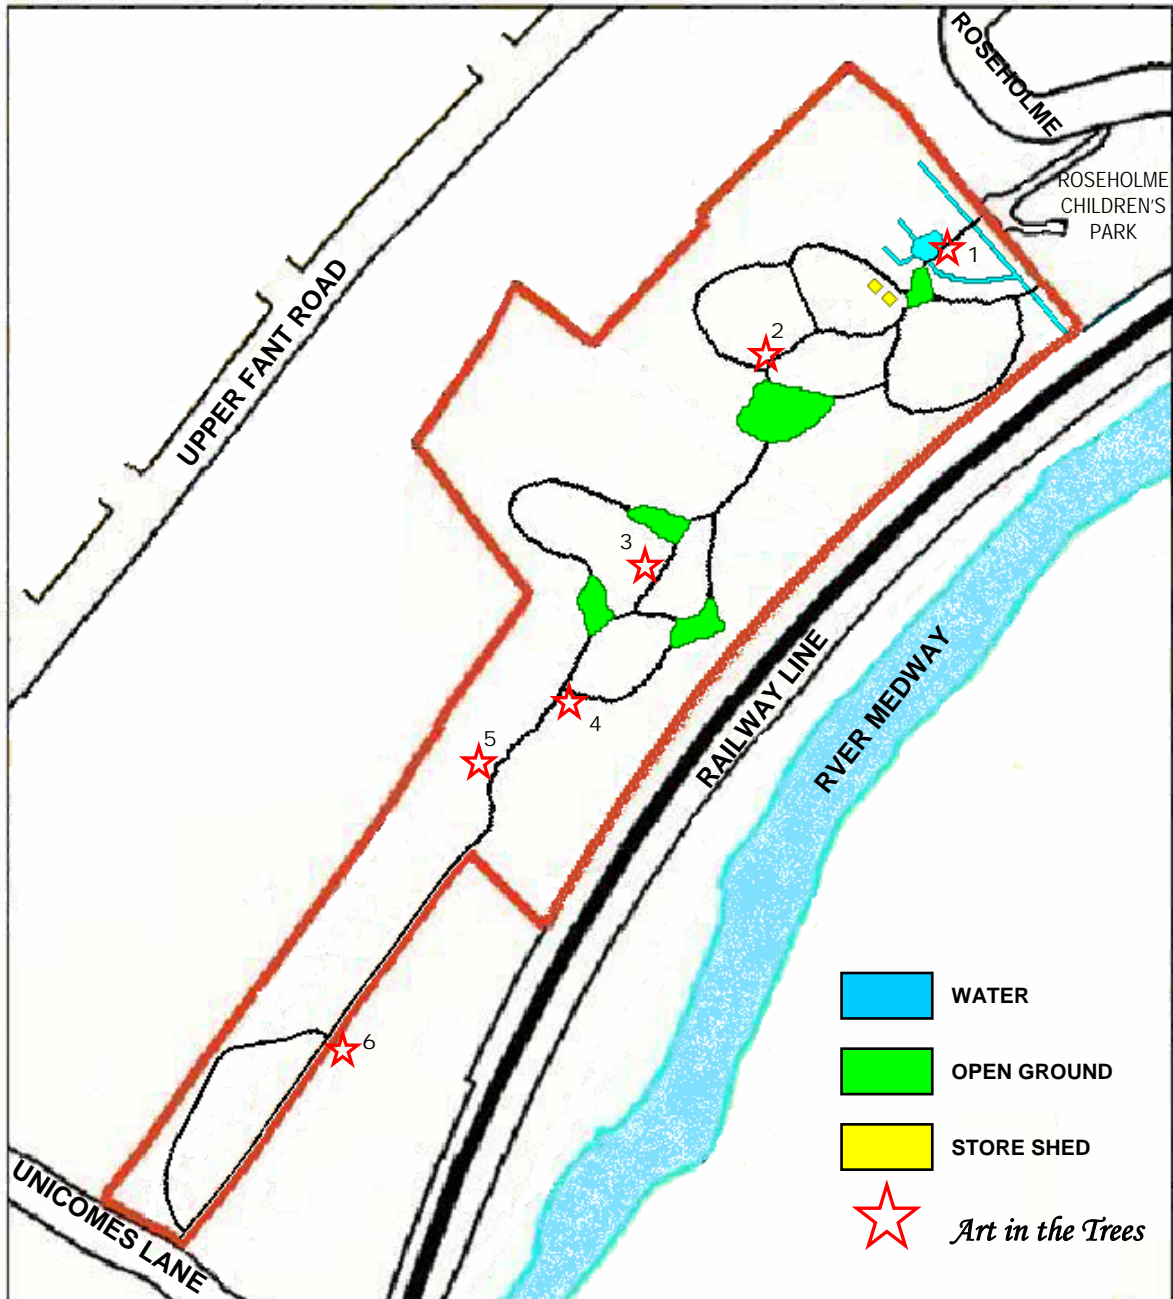

The Fant Wildlife Area

Maidstone, Kent

Follow the main path from the pond looking carefully in the trees.

You may be lucky enough to see art work by a group of home educated children aged 6-13.

The children collected shards of Victorian pottery found on site to create magnificent mosaics.

- 1. Peacock & Flower, By Jenny
- 2. Lizard, By Glynn
- 3. Butterfly, By Jonnie

- 4. Fish, By James
