IcFEM- is an interdenominational Christian organisation currently working in Western Province, Kenya. The Interchristian Fellowships' Evangelical Mission aims to build up people in the rural areas both spiritually and practically, to be wholly for God and hard- working, especially in the area of self- help and sustainable welfare and development projects, to run a mercy ministry to the needy and to involve various community development programmes while conserving the environment.

WHAT I'M GOING TO DO THERE: I'm going out on a [*Gap Programme*] to help [*as above*]. IcFEM relies largely on voluntary donations to deliver welfare and development to the poor communities in this rural area of Kenya. So that I can make a real difference when I get there, I am inviting you, not to sponsor my own costs which I will be paying myself, but the work that I will be helping with.

EVERY PENNY- you raise goes towards the disadvantaged families in Kimilili Division. The Gap Programme is wholly the responsibility of IcFEM in Kenya but, for ease of administration only, the sponsorship money is being given through IcFEM-Mission
