Dear editor

First of all I would like to send my congratulations to Ian Pearson for being re-elected as the Member of Parliament for Dudley South.

Secondly I would like to thank my opponents for a clean and fair campaign.

Thirdly (but by no means less important), my heart-felt thanks to all of you who voted for me and the Liberal Democrats and for all of the emails and letters of support which many of you sent to me. The Liberal Democrats saw a good result both nationally and in the West Midlands where our vote increased and we gained seats from both Labour and the Conservatives.

Your local Liberal Democrats will continue to work all year round and not just at election time. We will not stop in our opposition to such projects as the extension of the Wolverhampton airport and opening of the Pensnett freight line. We will also continue to put forward positive proposals to make local peoples' lives better; such as the opening of a new swimming and leisure facility in Brierley Hill. I would like to urge all of you out there who want to make Dudley a better place to make contact with us and help us to improve our community.

Thanks to all the people who helped with the campaign – with limited resources we made sure people knew who the real alternative was in this election and gained the respect of many along the way.

Regards,

Jon Bramall
