**WORKING AGREEMENT
BETWEEN TRUETT ASSOCIATION OF MISSIONARY BAPTIST AND ASSOCIATION DIRECTOR OF MISSIONS**

I. POSITION TITLE: Association Director of Missions will be the official title, hereinafter called DOM of the Truett Association of Missionary Baptist, hereinafter called the Association.

II. BASIC FUNCTION: Provide leadership in the work of the Association in the interest of strengthening the cooperative Baptist witness throughout the area.

III. QUALIFICATIONS:

- 1) Personal dedication and consistent Christian living.
- 2) A sense of call to mission service.
- 3) Adequate educational preparation, preferably college and seminary training or the equivalent in experience and other training.
- 4) Thorough knowledge of the work of a Southern Baptist Church.
- 5) Knowledge of Association work from personal experience as a DOM or as a participating pastor or other Church leader.
- 6) Reasonable knowledge of Southern Baptist denominational life and willingness to continue to learn.
- 7) Ability to relate effectively to rural and small town Pastors and Churches.

IV. RESPONSIBILITIES:

- 4) Work with Association leaders and committees in planning and conducting activities designed to strengthen the churches according to their needs, and to maintain effective mission ministries in the area.
- 5) Lead in planning and coordination of a calendar of Association activities to be presented each year to the annual meeting business session and printed in the minutes of the annual meeting as already provided for the By-Law number of the By-Laws Association.
- 6) Lead in training Association organizational leaders and committees.
- 7) Publish monthly a newsletter of the Association. The newsletter should contain news of interest, highlights of Executive Board action, treasurer's report, upcoming dates of Association activities, and other information and inspiration at the discretion of the DOM.
- 8) Provide counsel and help as reasonably requested by Pastors and Churches.

- 9) Assist in stewardship development in order to undergird the work of the Association and encourage growth in the support of mission causes through the Cooperative Program.
- 10) Assist in maintaining a Biblical evangelism concern in the Association.
- 11) Serve as denomination contact person in the Association relaying quickly news of interest to churches by use of monthly newsletter, reports to the Executive Board, or other communication as considered appropriate by the DOM.
- 12) A report of DOM activities and concerns will be made at each Executive Board meeting and an annual report will be presented by the DOM to the Association Clerk for inclusion in the "Book of Reports" for the annual meeting. The DOM will report regularly to the Missions Department of the TBC.
- 13) The DOM will demonstrate true commitment to the purpose of Association as prescribed in Article II, "Purpose", of the Constitution of the Association.

V. CALL:

- 1) The call and employment of the DOM be by approval of the Association Executive Board. The Association Executive Board. The Association Missions Committee will serve as search committee when a vacancy of the position occurs and will recommend a nominee for the position to the Executive board.
- 2) The call of the DOM of the Association is a indefinite one. The position of DOM himself, or the Executive Board. The DOM will give the Executive Board thirty (30) days notice if resignation is desired; and the Executive Board will give the DOM sixty (60) days notice if the DOM's resignation is called for.
- 3) The amount of salary and allowances will be worked out and presented for approval annually. It is suggested that the Missions committee and the Budget and Finance committee work together when negotiating a pay package with the DOM.
- 4) Four (4) weeks per year will be allowed, off the field, for revivals, world mission conferences and other such activities. Consideration of the Association calendar is suggested when such activities are scheduled by the DOM.
- 5) The DOM will be allowed two weeks paid vacation each year, with three weeks after five years of service. Vacation time cannot accumulate one year to the next, and payment will not be made for time not taken. Consideration of Association activities is suggested in the scheduling of vacation time by the DOM.
- 6) One day of sick leave with pay shall accumulate for each month of service to a total of ninety (90) days. Sick leave is intended for use by the DOM in case of his illness or that of his immediate family that requires his attention or assistance, including funerals. Sick leave will be forfeited at the time of the DOM's resignation, or dismissal. The Association will not make payment for accumulated sick leave.
- 7) The DOM shall be entitled to receive and keep honorariums from revivals and from supply preaching when the church normally would provide and honorarium.
- 8) The work schedule may vary from week to week as need arises in the Association and Churches.
- 9) Due to the size of the Association and the rural setting of most of our Churches this agreement does not propose to regulate how many times the DOM can supply the pulpit, occasionally or successively in each Church, however, it is intended that the DOM will serve any Church as interim Pastor, but rather assist as requested by the Church in securing pulpit supply so that DOM time and attention can be equitably shared with other churches and Association responsibilities. It is suggested that the DOM compile and maintain a current list of licensed and ordained ministers, and lay speakers in the Association that are available for supply work.
- 10) The employment of the DOM shall be considered full time.
- 11) The Association treasurer will be the payroll officer and the DOM will report to the treasurer when vacation time and sick leave is used, so a record of leave may be maintained.

VI. SUPERVISION:

- 1) The DOM will be basically "self supervised".
- 2) The Missions committee will serve as an advisory committee to the DOM in all matters pertaining to terms of employment and this agreement.
- 3) The Association Executive Board will direct the Missions committee and the DOM, and the Association will be the final authority pertaining to all matters of the agreement

VII. MISCELLANEOUS:

- 1) All other working agreements which have been made between this Association and other DOM's are null and void.
- 2) This agreement shall be recorded annually in the Association minutes and may be amended as necessary by the Executive Board or in the annual meetings. Two months notice should be given before amendments are made. The DOM will be informed in writing of any proposed amendments two months before action is taken.

Tennessee Missions and Ministry

First of all I want to thank you for your prayerful support during these days of moving from the local pastorate, and our beloved First Baptist Church, Sevierville, to the office of the Executive Director-Treasurer. It is a tremendous honor to be walking with you, as together we do Great Commission work for the King of Kings.

This has been a year of transition for the state missionary staff as they said good bye to their leader of almost 18 years and welcomed with open arms the new Executive Director of the TBC. It has also been a year in which they, like many Southern Baptists, anticipated the report of the GCR Committee of the Southern Baptist Convention. However, in the midst of all of this your state missionary staff has moved forward addressing the areas of their ministry in creative ways. Let me share with you just a few of the highlights of accomplishments this past year.

Your state missionary staff is working to “Make Christ Known” in Tennessee and around the world by assisting, encouraging, and strengthening churches. This past year a pilot evangelism strategy was conducted in upper East Tennessee to help us all fulfill the challenge of GPS (God’s Plan for Sharing), “every person in North America hearing the gospel by 2020.” Out of this experience we will be challenging our churches and associations to take the gospel to every home in our state over the next 10 years. Your state Evangelism Ministry Team is calling on our churches to pray, to train, to go, and to celebrate the harvest as we never have before in order to meet the challenge before us.

This year, working with our associations and churches, and with the help of our Ministry Strategist Team, we have connected our state missionaries to partner in 90 projects. This has allowed for ministry and missions to be done in context of the need and on site to accomplish together Kingdom work.

Through our volunteer missions efforts we have responded to three disasters including the major flooding in middle Tennessee, to which we are still responding with rebuilding efforts. Through partnership missions, we have assisted churches in “Making Christ Known” outside of Tennessee. One such place we have impacted is the Kingdom is West Africa. As a result of what Tennessee Baptists are doing there, people groups are hearing the gospel for the first time and churches are being established among those people. A recommendation about extending our partnerships with the Canadian Southern Baptist Seminary, as well as the Iowa and Montana partnerships will come from our Executive Board to the Tennessee Baptist Convention meeting in November. Praise the LORD!

Your state missionary staff has worked tirelessly in order to make Christ known and to strengthen churches in Tennessee by providing training to church staff and lay leaders by the thousands. Leaders have been trained in areas from worship to how to handle church payroll tax requirements for employees and everything in between. All of this training is being done to help Tennessee Baptist churches be healthier in order to “Make Christ Known” in their communities.

Your state missionary staff realizes that in order for Kingdom work to be accomplished missionaries in Tennessee and around the world must be sent. To send and to do the work requires finances, and your state missionary staff continues to carry the banner of the Cooperative Program and giving through your association and special mission offerings as the best way to together strategically advance the Kingdom. In order for Great Commission work to be sufficiently supported, it is important that the issue of stewardship be a component of good disciple making. Your state missionary staff is seeking to encourage our Tennessee Baptist churches in the area of stewardship and Cooperative Program support with the TEN X TEN campaign - that is to encourage every member tithing and every church giving at least 10 percent through the Cooperative Program in support of missions.

While wonderful work has been accomplished over this past year, even greater days are ahead of us. We must work in unity and with urgency to reach the three million plus lost people in our own state and several billions around this globe.

Again, it is a great joy and privilege to work with you on this journey.

Randy Davis, Executive Director-Treasurer
