The Million Mind March is For People Who Want To Share The Beauty of Personal Power and Who’d Enjoy Earning an Extra \$10,000 to \$15,000 in The Next 30 to 90 Days!

Please Make Sure You Agree With This Simple Concept We Call “**The Genesis Project**” Before You Flip The Page or Attempt To Tilt Your World By Learning To Attract \$2,000 to \$5,000 Per Week as a Good News Merchant Who Trades Prosperity & Leverage

The “Genesis Project” is a simple idea that we live by. The idea is that you can’t truly multiply what you don’t love and that love, in its truest nature, *duplicates without struggle*, hard work or frustration.

It’s about love people, use money. Not vice versa.

It’s about earning income only to the degree and measured upon how well you circulate positive (Gen 1:11) energy. The **Genesis project** is the high art of “being” in that you love being a reward for people so much—you’d do it for free anyway. *And your leverage turns to equity.*

The converse is doing what you can’t stand and watching the clock in order to leave the office by five o’clock. Within the **Genesis Project**, it’s about becoming wealthy—or at least making amazing income—by being and sharing love and more life with thousands of people.

Rule #1 of the **Genesis Project**: “What you love will love you back and multiply without struggle, hard work or frustration.” It has to.

Rule #2 of the **Genesis Project**: “What you love will be forced to manifest itself into the physical as an equal expression of your nature.

No wonder people who “love” money are so sad after they make a lot of it!

Page # 1

When You Begin To Realize That The “Soul” of Money is Service, You Then Start To Fully Comprehend The Nature of Love And How The Wealthy Got That Way.

It’s All About Whose Helping The Flow of The Universe and Helping Mankind Evolve into a Better Expression of Ease and Perfection

If Money Was a Game Here Are The Rules

Rule #1: Money never sleeps. Therefore if you want to make more income you simply need to be in the position to make more *while you sleep*. In this program, *other people make you money*. Plus, while you are sleeping, people from all over the world can be sampling our product and falling in love with it.

Rule #2: Money is an effect, not a “cause.” Man’s mind is “cause” and money is simply a response to his thoughts about himself and his relationship to the world. People do not have a money problem, they only have a thinking problem. When you change your relationship to time and money you change how money reacts (effect) to you.

If you know how to make business (and money) you work for yourself. If you don’t know how to make your own business you have a job. We teach people how to become their own equity and how to sell a product that people love.

Rule #3: What you give away you always get to keep. The law of attraction is the law of love and to love something with enough persistence invites its *equal energy back to you*. Ask Madonna or Russell Simmons if that’s true.

If you love money you love something that *doesn’t have the nature to love you back*. But if you love people and sell a product that can help people evolve and live better, you can become rich.

** Case in point. If you gave away the samples of our “Super-Mind” product to 20-25 people you’d probably earn \$1,000 to \$2,000 dollars and have 5-6 people come back to you say, “Thank you for changing my life.”

Your love + their love = **equal exchange of energy** = \$500 to \$1,000 pay days.

Rule #4: Having strangers trade \$2,041 with you for our “Mega-Mind” home study course is easy if you first let them change their lives for \$97 through our no-risk 100% money-back guaranteed course on the subconscious mind. Everyone has \$97 just as everyone wants to learn how to positively change their lives *and the lives of other people*.

Why? Because thousands of people who are just like you would love to be able to change lives and make more money—all at once— if it was as simple as letting people sample our \$2,041 program for just \$97.

Super-Mind (\$97) consists of a 98 pg. manual and double audio CD Kit. Mega-Mind (\$2,041) is two home study manuals and six audio CD album.

If you sampled the \$97 “Super-Mind” wisdom for Millionaires course you’d see how and why so many who do, turn right around and upgrade to the Mega-Mind course for \$2,041. The commission is \$1,500 per \$2,041 trade of love.

Learn The Power of The Subconscious Mind. Become Ten Feet Tall and Bullet Proof While Turning Your Mind into a Genii in a Bottle . . . Or Your Money Back. No Questions Asked. This Must Change Your Life!

The “Super-Mind” Plank Analogy

If I said to you, “I will level a wooden plank ten feet long and two inches wide on the floor and ask you to walk it,” *you would*. But if I offered you \$100,000 dollars to walk the SAME plank across two buildings that were a 1,000 feet in the air, you wouldn’t do it. Why? Because what you imagined in your mind, as fear, would take control over the fact that walking the plank, while on the ground, was at one time “easy” for you.

The conclusion is obvious: Your subconscious controls you by the dominating thoughts that you project to it *through your imagination*. Here, in this analogy, the dominant idea of falling would become the strongest desire of the mind **had to prove true**. Which would cancel out most people’s ability to walk the plank across two buildings. Even though they could if the plank were leveled on their kitchen floor!

The SAME thing happens to most untrained people who attempt to shift from common to large or from average to fortune. Their dominating FEARS discount all other actions that pretend that they might be able to earn \$10,000 per month in their own home business!

What \$8, 000 Cash in 30-90 Days Looks Like

1: Order the \$97 “Super-Mind” and give yourself one-hour alone with our home study manual and double audio CD kit. Within one hour you will see the immense life changing personal power of this or you won’t. No risk. Lose nothing (100% money-back guarantee) and remember, the soul of money is service. This program changes lives. *But please tests it on yourself.*

2: When you decide to become a Benefactor you then upgrade to the \$2,041 “Mega-Mind” advanced study course which is more wisdom for Millionaires. Super-Mind pays a commission of \$60 per \$97 sale. **Mega-Mind pays \$1,500.**

3: Each \$2,041 sale pays \$1,000 to the retail agent (you) and your friend who brought you in is called the “Benefactor.” They sold the \$2,041 to you. Now you sell five and you earn \$5,000 dollars while your Benefactor earns \$500 per sale as you earn \$1,000 per sale of the \$2,041 Mega-Mind.

4: Okay, so you sold five \$2,041 “Mega-Minds” and earned \$5,000. Lets pretend three of those five people you sold to did nothing. That’s life. Not everyone you sell this to wants to make more money. However, two of the five you sold to did, they each sold only three (3) each. Two times three is six and six times \$500 = \$3,000. Remember, you earn \$500 on *their* sales.

Now add it up. \$5,000 + \$3,000 = **\$8,000** and you only sold to **five** people.

Our Business Model is This, "In order to get more get value, all you do is give more give value."

The key is to become a RESOURCE to other people, not a burden. That's what Oprah Winfrey, Tom Hanks and people of POWER have done--*they have become a source of encouragement and SAFETY for Millions of people.*

BE + I AM + THINK + DO + SHARE + HARMONY = BIG BLACK HUMMER

Wow! What a calling. YOU as the source for other people to feel safer. YOU as a source for other people to come to for knowledge and power. It's not a control freak "here is some power I am a Guru" sort of thing. *It's simply a way about you that empowers others to assume their own power.*

If the soul of money is service imagine what happens to your life if you helped 10,000 lives *transform* from struggle and anger into love, prosperity and grace!

The \$97 Super-Mind Must Have a Consumer Perception That What They Paid For Was Worth \$100,000 or We Have Nothing

You will begin to show people how to move from the uncertainty of ego and into the immortal world of spirit. It's about managing your worst self and studying the better and more authentic you. This is about Soldering the idea of true self prosperity back into a nation of disbelief.

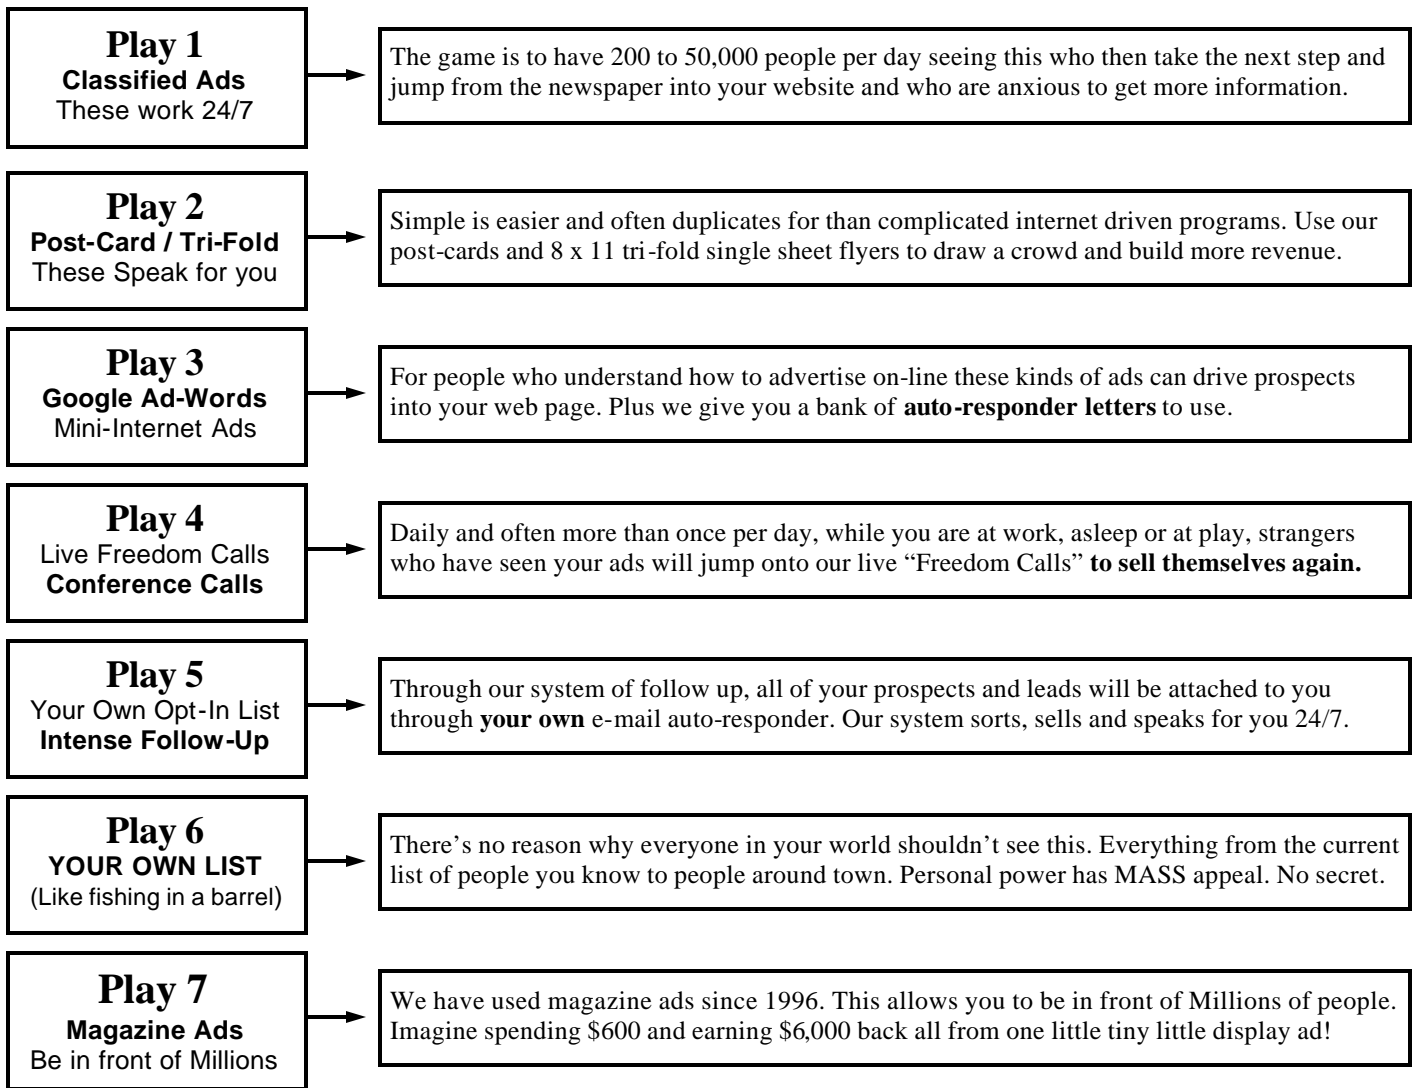

It is about knowing you will someday die and have to leave your Palace to Jeeves, but knowing that you will leave behind to Millions of people, everything that you sowed into them freely and with honor. That is the Soldiers calling.

- ** Be the Soldier of Prosperity and the Angel of Giving.
- ** Being a "go giver" out performs being a go-getter.
- ** Sow / serve / give it away / be someone FOR somebody.

Old School = Work to pay bills and hate your job.
New School = Blow people's minds. Teach the art of BEING!
New School = Sell something for \$97 **that's worth** \$100,000!
New School = Give people a higher state of consciousness.
New School = Earn on *who you are* more than what you do.
New School = Work for a loving. Do you + build lifestyle.
Old School = Build someone else's dream & work a job.
New School = Make income helping the world evolve better.

What \$41,000 Dollars in 3-6 Months Looks Like:

- * You sell our \$2,041 program to sixteen (16) people. Maybe 50% bought Super-Mind **first**.
- * SIX of those sixteen sales did NOTHING. You still made 16 X's \$1,000 = \$16,000.
- * **Ten of the sixteen each sold five. That's 10 x's 5 = 50 sales x's \$500 paid to you.**
- * **That would be \$500 (you earn on their sales) x's 50 = \$25,000!!!**
- * **\$25,000 and then the original \$16,000 = \$41,000 dollars.**

The Systems Sorts, Speaks and Sells For You!

Prospect jumps to your "**Splash**" page where they land inside of your auto-responder where they are bombarded with reason after reasons to BUY from you and to take the next logical step.

The 24/7 Incubator:

The Easiest Sale is When You Create an Atmosphere Where 1,000' of People Can Decide to Order by Themselves

- 1) The more you say the less you will sell.
- 2) The more you say the more you invite objection.
- 3) No one will want to be in a "convincing" business.
- 4) If you set people up to convince themselves, *they will.*
- 5) All you say is, "This will change your life." ***That's it.***

The More You Have To Say The Less You Sell Because Most People Hate To Sell and Aren't Good At it

Salesmen Need Not Apply

- ? Once people enter "the system" most won't be able to back out. *It's built to inspire reciprocity.*

**The Value of the Core Products We Sell is What Drives This Program. .
You Can't Promise a Life Changing Experience and Deliver a Box of Rhetoric.**

We Welcome “Push-Cart Johnny’s”

Don't be surprised if a few people you bring in say, "I don't have \$2,041, don't want to make \$10,000" and all they want is a **fun retail product** to sell and to make some side income with. We call those people, "Push Cart" Johnny's and we love them because they drive even more \$1,000 pay days right *into your lap*. Here's how it works:

Here's The Question a Lot of Folks Ask:

"Can I begin as a \$97 Super-Mind seller, earn \$60 per sale and wait for my first \$2,041 order and then order the \$2,041 myself?"

The answer is yes and no. You are allowed to be a retail agent and sell the \$97 Super-Mind as long as you buy it obviously first yourself. However, all of the sales you make of the \$2,041 Mega-Mind, derived from the sales of the \$97 Super-Mind that you make, "flow up" to the Benefactor above you who ordered the \$2,041 Mega-Mind and therefore will take that upgrade sale from you.

Just as the man who sold you your car is not privy to earn on the extended warranty you buy, the rental you use from them later on or on the finance payments to Chrysler financial, because the salesman was not set-up as an "owner" of the car dealership, same here.

We make a distinction here between "retail agents" and our business owners.

This is a \$2,041 program. Therefore only those who own the \$2,041 "Mega Mind" can receive orders from it. Just as you wouldn't pay the store owner a cut of your winning lottery ticket, we don't reward non-buyers of the \$2,041 Mega-Mind to be rewarded with a \$1,000 commission just because someone they retailed the \$97 program to decided to upgrade to the \$2,041.

We do not subscribe to, "Let me sell some Super-Minds and after I have a \$2,041 buyer on the hook, then I will upgrade then myself."

The bottom line is this, lot's of people would be thrilled to earn a few hundred per week retailing the \$97 Super-Mind and simply can't afford to be a business person and be qualified to earn on the \$2,041.

Should this be you, your website and "payment gateway," where people actually buy the \$2,041 on-line, would be calibrated to pay your Benefactor and **not you**. Why? Because non-buyers of the \$2,041 at no time are qualified to re-sell the Mega-Mind. Even to their \$97 Super-Mind buyers. *Now or later*.

Here's a few other popular questions people ask us. . .

"Can I see the post-card, the flyer, the ads you use and the various sales aids that we can use?" Yes, all of that is in the \$97 Super-Mind.

"If I enter this program at \$2,041 and step over the \$97 Super-Mind, am I somehow rewarded for being able to make a smart business decision quickly?" The answer is yes. Please see the next page to learn more.
