THE ADVOCATE is published monthly by Staten Island Council #1662 Knights of Columbus, 22 Hillside Terrace, Staten Island, New York 10308-1883.

Dear Brothers,

I will try to keep this short as it is summer and you've better things to attend to. Steve Milone did a great job organizing the Staten Island Yankees game on July 10<sup>th</sup>. We now have volunteers for all 10 months of food delivery to our 3 families in need. Nov. and Dec. are all hands events. Thanks to the volunteers and to PGK Jack Fitzpatrick for watching over this. The hall will be closed for the annual cleanup from August 17-27. Please call our House Chairman Alex Weir to see how you might be of help. If you're handy we need you. If you're like me and you're not handy we need you just as much. Even if you only schedule yourself to come down for 1 evening for 2 hours it will be greatly appreciated. C & B books are off to a great start. Please see Bill Connors and Dom Stavola if you haven't gotten your C & B book. PGK Tony Russo has announced a defensive driving class will be conducted at our Council on Saturday September 26<sup>th</sup> from 9 am—3 pm. This class can be used to take points off your insurance policy. The cost is \$15 a person. There are only 35 slots and this class is open to the other 7 S.I. Councils so call Tony now. A bowl-a-thon is being run by members of Manresa Council to benefit The Special Olympics on Sept. 27<sup>th</sup> 1:30 pm to 3:30 pm at Rabs. Anyone interested in more details drop me a line. I hope this was short enough.

God Bless and enjoy the rest of the summer.

As always it is a pleasure serving you. **Please stay in touch and get involved.**

Fraternally,  
Rich Cole, Grand Knight

### **FROM THE DESK OF JOHN CARONE**

The objective of the offensive line in football is to protect the quarterback. To do this, the line must be strong and reliable.

Your family must also be protected. The one thing that will protect them the best is strong reliable life insurance.

With life insurance, your family will be protected from financial disaster in the event of your death. They can continue to live as you would want them to live. And they would have you to thank for it.

Score a touchdown for your family and buy life insurance.

Call me today for an appointment.
