SBRA approves results submittal to Equi-Stat

By Jennifer Baker

The Board of Directors recently met to discuss whether it would be beneficial to the organization to submit results to Equi-Stat. It was agreed by all board members present that this would be beneficial to our organization as well as our members, and to begin submitting results to Equi-Stat.

Equi-Stat is a vast database that compiles and publishes statistics from several events, including barrel racing. They will accept results from major aged events, as well as jackpots that pay out more than \$20,000. During the 2007-2008 season, SBRA paid out around \$30,000 in the open. For results to be eligible, registered names must be provided for 80 percent of money earners in each class. Results will be submitted for the Open 4D, Rookie

Horse, and Junior 3D.

We will need the help of all of our members to make sure that our results are eligible. Simply provide your horse's registered name, and if possible also the registration number and breed association. If your horse is not registered, the earning's will still be recorded, it will just be noted that the horse is not registered (NR). You can continue to enter the SBRA jackpots with your horse's barn name. If you are hosting a jackpot and a non-member wins a check, please request the horse's registered name and the rider's hometown, and submit this information to the secretary along with the results.

Information that will be sent in to Equi-Stat includes date and location of the jackpot, number of entries, amount of money won and

in which class and division, horse's barn name, registered name, and if provided breed an association, rider, and rider hometown.

We will begin submitting results for 2009 as soon as the list of registered names has been compiled. We would also like to submit results from 2008, so if you entered a different horse last year please provide registered names for them as well.

Please submit your horse's registered name, registration number, and breed association to Jennifer Baker. There will be a binder at jackpots that you can fill out the information, or you can send an e-mail to jen_joj@hotmail.com. If you have any questions, please contact Jennifer as well. Her phone number is 620-640-8111.
