Dear Martial Art Practitioner:

My name is Craig Sira and I will be hosting the 5th Annual Kyusho Jitsu (pressure point) seminar in Midland, Michigan. The seminar will be held on March 21<sup>st</sup> and 22<sup>nd</sup>, 2009. Master Jim Corn will be the instructor.

This seminar is an excellent way to incorporate pressure points, with related healing, into your martial art training. If you are already experienced with the points, then this seminar will expand your knowledge and provide you with drills to further your understanding and skill.

Last year's participants were able to:

- Perform healing such as revivals, clear headaches and backaches
- Learn points to weaken and numb the arms
- Strike partner to cause dizziness with light strike

This seminar is open to all styles/systems.

You do not need to be a member of Kyusho International (KI) to participate in this seminar. If you are interested in joining the annual membership is \$30 and will get you at the reduced seminar price. Just enroll at the reduced fee and add \$30 for the membership to your enrollment. Kyusho testing certification is available for members only. The attached flyer goes into greater detail on this hands-on seminar.

Please contact me if you have any questions.

Sincerely,

Craig Sira
