I noticed immediately a shift into more joy, peacefulness and acceptance unlike anything I have experienced before. This is an intensive workshop with exercises and meditations that help you to let go of the past, to become free of blocks, heavy energy etc.

You then automatically start to attract the best Life has to offer you and you allow Life to fill you with its warmth and limitless beauty.

Those who want can get *Lighthouse* by Freddy, where he asks the infinite Light to fill you on all levels (included in the workshop).
