

The Racing Sardine Checklist

Superstar Sardines of Marist under 12s,
this is a little checklist of things I want you to try to achieve during the tournament.

Some of the things on this list are pretty easy, some are a little harder...

(Don't tell anyone but I played for about five years before I scored my first goal).

It doesn't matter if you can't put a tick in every box but I would like you all to have fun trying.

1	I made it to every game 20 minutes early	
2	I took four shots on goal	
2	I always remembered my water bottle	
4	I scored a goal!!!	
5	I didn't leave my togs and towel in my bag when I got home	
6	I made three steals	
7	I cheered for the other Marist teams	
8	I made two blocks	
9	I made three safe passes every game	
10	I thanked Mum and Dad for letting me play polo	
11	I did a ball under on an unsuspecting opponent	
12	I congratulated every other sardine on something they did well	
13	We won a game!!!	
My goal		

Enjoy the tournament,

Ben
