

Part 21 - Showmanship

- A. In Showmanship classes, exhibitors are to show to the presiding Judge only. Below are points on which showmanship classes are to be judged. Only the handler is judged. The horse is merely a prop to show the showmanship ability of the handler. Management must choose and post the showmanship patterns.
- B. Appearance of exhibitor:
1. 10 points – clothes and person neat and clean. Suitable clothes: hats, boots, long sleeve shirts and gloves are required.
- C. Appearance of horse:
1. 40 points – conformation not to be a factor.
 - a. 15 Points – conditioning
 - b. 15 points – grooming of horse
 - c. 5 points – trimming
 - d. 5 points – tack
- D. Showing horse in ring: 50 points. The Judge will use one of the following three ring patterns in judging this class. Judge will discuss the selected pattern with contestants prior to class. The selected pattern must be posted two hours before the start of the class.
1. Leading: 15 points
Enter ring leading animal at an alert walk in a counter-clockwise direction. Walk on animal's left side, holding lead shank in right hand near halter. The remaining portion of the lead is held neatly and safely in left hand. Animal should lead readily at a walk. After Judge has lined up the class in front of spectators, he or she will call on each exhibitor individually to move his or her horse individually. When moving horse, be sure that the Judge gets a clear, unobstructed view of the horse's action. Allow the horse sufficient lead to move freely the required distance, stop, and turn to the right around the horse. Exhibitor should perform the showmanship pattern as directed by the Judge or Ring Steward.
 2. Posing: 15 points
When posing your horse, stand toward the front facing the horse, but always in a position where you can keep your eye on the Judge. Pose your miniature with his feet squarely under him. Do most of your showing with the lead strap. Never touch or kick the horse's leg into position. Do not crowd the exhibitor next to you when in a side-by side position, or in front of or behind you when lined up head to tail. When Judge is observing other animals, let yours stand if posed reasonably well. Be natural. Over showing, undue fussing, and maneuvering are objectionable.
 3. Poise, alertness, and merits: 20 points
Keep alert and be aware of the position of the Judge at all times. Do not be distracted by persons or things outside the ring. Show the animal at all times. Be courteous and sportsmanlike at all times. Recognize quickly and correct faults of your horse. Respond quickly to requests from Judges and officials. Keep showing until the entire class has been placed and excused from the ring. A Judge may ask an exhibitor questions (Example: exhibitor number, horse's age, body parts of

horse, etc.) At his/her discretion a Judge may ask an exhibitor for an additional test after completion of one of the three set patterns. Exhibitor must be on the opposite half of the horse from the Judge. When Judge is in position 1 then exhibitor should be in position 1, when Judge is in position 2 then exhibitor should be in position 2, etc.

- E. The half system will be used in exhibiting your horse. Exhibitor must be on the opposite half of the horse from the Judge. When the Judge is in position 1 then exhibitor should be in position 1, when the Judge is in position 2 then the exhibitor should be in position 2 etc.

Pattern # 1

Walk to the Judge in a straight line. Stop and set up your horse. Upon acknowledgement from the Judge, do a 180 degree turn. Trot in a straight line, past the line-up, stop. Do a 180 degree turn. Walk horse forward to the exact spot in the line-up (where you were when you started the pattern) and set your horse up.
