

# LOSE YOUR LIFE MISSION TRIP

**WHERE:**

Faith City Ministries, Amarillo TX

**WHEN:**

July 13-16 (Mon – Thur afternoon)

We will leave at 9am Mon. morning from New Life Church parking lot in Cashion Ok. (If you are meeting us from the Oklahoma City, other arrangements can be made) We will be returning home around 8pm on Thursday.

**Faith City Ministries (www.faithcity.org)**

Faith City Ministries helps heal many emotional, physical and spiritual wounds. We live in an impersonal, disposable society, a self-centered environment in which more and more families are becoming fractured. The problems of providing for a family have become more difficult. The percentage of people who are homeless due to financial failures, personal misfortune and abuse is growing. Most of us tend to think of the homeless as stereotypical men and women who are drug addicts or alcoholics. Although there are some who fit this profile there are many more becoming homeless who are educated and who have had careers and families.

A large part of Faith City Ministry's task is to let people who are hurting know they have value and are loved. Jesus, through Faith City Ministries, gives each person hope and joy in knowing they are wanted and have a future. Every one of them is a child of God.

Faith City Ministries is a Christian mission that has a year long program for men and women who are coming out of drug and alcohol addictions. While these 'students' are enrolled at Faith City, they have many opportunities to help serve the homeless that come eat and sleep at the mission while they are going through the rehabilitation program of classes and growth. We will be coming alongside and working with the Faith City students in different ways including; serving meals, leading chapels, helping in a community outreach, working in the donation center and simply playing basketball with them to build relationships.

**What to bring:**

Students will need to bring enough money for 3 meals,(Lunch Mon., and Lunch and Dinner on Thur.) as well as any spending money for snacks. Students will also have to provide their own bedding and towels. Suitcases must be no larger than a carry-on bag at the airport (pack light) and he/she can bring a backpack as well. 2 bags total (bed roll is separate).

**Other items needed:**

Bible  
Notebook/journal

***optional***

Students can bring a bag of gently worn clothes to donate to the mission.

We will have plenty of adult sponsors along on the trip to ensure the safety and well being of your wonderful children! You can contact Mitch Houston at 405-433-2345 for any question you may have.
