FEE SCHEDULE

Complementary Therapists and Alternative Medicine Practitioners

Each individual therapist and practitioner - or clinic - will have widely differing needs.

Bearing in mind the specialist nature of the work that you do, Callie prefers to discuss your individual needs and work out a tailor-made quote for whatever you need help with.

Callie is a qualified complementary therapist and healer and is therefore well-placed to help you determine the best way forward.

* Time-critical projects: a priority service with a 24 - 48 hour turnaround request may attract a surcharge, including those with are required overnight or over a weekend.

* Fees are not inclusive of printing, telephone, fax, email, stationery and postage costs. These will be applied at cost, where appropriate.

Please refer to our Terms & Conditions.
