Walk worthy of Me!

29th November 2006

The serpent will whisper; but I will but nudge.
He'll give an impression; but I will give Love.
Walk before ME!

Are you ashamed because I see thee?
Or are you disheartened you've hurt heaven & Me?
Look only on ME!

My hand is able to hold you up.
I stand at the door - I'm here to now sup.
Stand within ME!

Is My hand shortened that it cannot save?
Is that the reason another path you must pave?
Speak truly of ME!

Dwell in My Presence. For in dwelling: you'll walk worthy of ME!
