

## NESHAMINY SCHOOL DISTRICT DEMOCRATS VOTE TO REELECT

### MIKE MORRIS REGION 2 SCHOOL BOARD DIRECTOR

" **Mike Morris, Neshaminy School Board Director**, is an independent thinker who even when faced with strong opposition from special interests, stands up for what he believes is right for the children and the taxpayers of Neshaminy. Mike believes in full transparency and is a proven non-partisan leader. I need Mike by my side with his continued great contributions to the NSD teacher's contract negotiation committee, standing strong for a fair contract for both teachers and taxpayers, which will provide for the continuous education improvements we all want and need for our children. He is a fiscally responsible Director who, in addition to helping me address the financial challenges we faced 4 years ago, has always prioritized protecting all our seniors and other struggling Neshaminy taxpayers by voting against tax increases for three years and will vote **NO NEW TAXES** for a fourth year. I

am asking all my great **Levittown** neighbors who are registered **DEMOCRATS** to give **MIKE MORRIS** the honor of representing all Neshaminy residents for another term. "

**Ritchie Webb, President, Neshaminy School Board**

*"As part of the NSB-NFT negotiation committee since 2009, I have insisted on no more free healthcare for current and retired certified staff, no more \$27,500 retirement bonuses, no more "Neshaminy unique" entitlements and extraordinary perks and certainly no more "one of a kind" contract language, such as the so-called employee "equal say" and "past practice", that completely restricts our Administration and School Board from doing what is right for our children and taxpayers. No other school district in Bucks County has any of this and if that is good enough for Council Rock educators, one of the highest ranked districts in Pennsylvania, it is darn sure good enough for Neshaminy! You can count on me to continue to look out for the future of our community and especially our children in my next term."*

**Mike Morris,  
Neshaminy School Board Director**

**Mike and his wife Kate, who is a Philadelphia teacher**, have put three children through NSD and as the **ONLY one of the two Region 2 candidates that is a long term Neshaminy district resident**, Mike truly understands the needs of all stakeholders. Mike has an outstanding record of accomplishments in representing all Neshaminy residents since 2009:

- ✓ Voted three times **NOT** to raise your taxes
- ✓ Teacher Contract Negotiation Committee for 4 years holding the line with transparency
- ✓ Working hard to provide our teachers a fair contract and compensation that is in parity with top ranked Council Rock teachers
- ✓ Finance Committee member for 4 years
- ✓ Chaired Hiring Committee for our outstanding new NSD Superintendent, Bob Copeland
- ✓ Tech School Board Director representing Neshaminy School District
- ✓ Has committed to never allow future SIDE LETTERS or secret backroom deals in NSD!
- ✓ Will act to eliminate all existing "Memos of Understanding" that limit educational progress for our children
- ✓ He will restore full control of our district to our Administration

**DOUGLAS SUESSEGGER, IS THE NESHAMINY FEDERATION OF TEACHERS ENDORSED CANDIDATE. A VOTE FOR DOUG, IS A VOTE FOR THE NFT!**
