8 February 2008

Greetings Fellow OZOOMS!

As you know, we will be celebrating our 30th anniversary on November 29, 2008. In preparation for this event, the alumni and resident members who attended the 29th Anniversary Celebration in Villa Mejia, Pansol, Laguna last November 30, 2008 formed a steering committee that will plan and organize the event. The Committee consists of alumni and resident members to facilitate a wider range and a more expeditious means of disseminating information regarding this affair.

As our initial step, we are sending out an information sheet which will assist us in achieving this. Kindly accomplish this form and send back to us either through e-mail or snail mail at your earliest convenience.

Lastly, we hope you will continue to support the committee and its future activities, as we all try to make our 30th Anniversary Celebration a truly memorable experience that every OZOOMS can treasure for years to come.

Thank you very much.

Sincerely,

Arthur Ariel C. Manuel, MD
Chairman, 30th ASC
