

A world of advantages. From a name you can trust.

American Express Business Finance offers a host of innovative services and benefits for you and your customers. Here's what you can expect:

Fast, convenient financing. American Express Business Finance gives you the power to respond immediately to the financing needs of your customers. And with online business-building services such as 24-hour sales and account management, and custom reporting, you and your business can achieve new levels of efficiency.

Streamlined documentation. Our easy application takes advantage of state-of-the-art technologies to deliver superior speed and simplicity in credit approval and documentation. That means quick credit decisions, usually, without requiring financial statements. American Express Business Finance's innovative application means:

- One-page credit application/agreement
- Faxed signatures for transactions up to \$75,000
- Brief general equipment descriptions
- Easy upgrades and add-ons

Now, you have the power to deliver true point-of-purchase financing. Precisely what you would expect from American Express.

Personal sales support. American Express Business Finance recognizes that each industry has a broad range of sales and service requirements. Whether you operate nationwide or in a local market, American Express Business Finance representatives will give you the personal support you need. And a level of service your clients deserve.
