An Independent Jewish Congregation

Dear Colleagues and Friends;

Reb Zisha (Scott) Tepper has been active in the Boston Jewish community as a teacher, *ba'al tefila*, and as an innovative voice in making of Jewish tradition alive for our generation.

When Reb Zisha teaches and leads services, he balances creativity with respect for traditional sources. He infuses it all with *kavvana* (intention), expansive joy, inclusiveness, and an infectious smile. He is truly *me-kareiv* (brings people closer to our tradition), and he has a special concern for men's connection to liberal Jewish life.

If you have the opportunity of benefiting from Reb Zisha's talents please do so. He is a vital resource that brings much to our Jewish community's continuity as a spiritual path.
