German Wirehaired Pointer

P (6) 1 Geary's Germanus Geentee. Loved her. She has a very sweet intelligent expression. Well balanced for one so young. Good depth and angulation fore and aft. The best mover in this class, so soundly up and down with good ground covering action and with such confidence too. An exciting prospect. BP & RBoB. 2 McCullough's Pia Vom Fuchsberg at Kimmax (Imp Den). Lovely feminine bitch, good ribbing and in fit condition. When settled, she demonstrated positive driving action from well angled hindquarters.

PG (2) 1 Geary's Korskote Comeback to Germanus (Aus Imp). Workmanlike dog with a kind and intelligent expression. Good depth and angles. Harsh coat and in fit hard condition. Won this class on his more positive movement. 2 McCullough's Ebbtide 'n' Claddagh Back to Black for Kimmax. Happy soul enjoying her day out. Sweet headed bitch, good coat and compact feet. Moved out well. Would prefer more depth.

O (5,3) McCullough's Sh Ch Kimmax Anton. Very worthy Show Champion. Picture of power with great balance, masculinity and type throughout. Loved his head and intelligent expression. Good depth of chest with well strung ribbing extending well back to a strong loin. Excellent angulation which allowed for a free and easy ground covering stride. BOB & delighted to see he later went BIS.

Hungarian Wirehaired Vizsla

P (1) 1 Walkers's Zoldmali Ostor of Lanokk (Imp Hun). This boy was just 6 months old and was my find of the day. A very sensible young man and an absolute pleasure to go over, he oozes quality and soundness. Sweet headed with an intelligent expression. Excellent depth and body proportions with everything just in the right balance for his age. Super length of upper arm and this showed in his sound and easy ground covering movement. Ribbing well sprung and set back leading to a slightly sloping croup with the best of tail sets. Could have taken him home. BP & despite his tender years, BoB.

O (3,1) Walker's Zoldmali Huncut of Lanokk. Medium sized bitch presenting a typical and feminine outline. She is very balanced with excellent depth and angulation throughout. Lovely head and expression. Excellent shoulders and with great ribbing. Presented in good condition. Quality bitch who was overshadowed in the challenge by the puppy who was on top form. RBoB. 2 Hibbert's Cwsscwn Perchanze to Dream at Mindszenty. Quality male who is of a good type. Moved out well on a good length of stride. Preferred the forequarters and front movement of the winner.

Weimaraner

P (2,1) 1 Maddox's Enryb Loves to Party. This bitch presented a very smart picture stacked and is in excellent condition. She is a good size with correct depth and balance for her age. Kind, intelligent expression. Elegant neck leading into good shoulders. Moderate angles throughout. Not as co-ordinated on the move today as the BOB winner but at nearly 12 months old, I'm sure maturity can improve this. BP & RBoB

PG (1) 1 Maddox's Enryb Loves to Party

Well muscled hindquarters which she used to power round the ring on an effortless stride. BOB.
