

# Weimaraners: UK Title Holders 1998 -2013

A book of UK-title holding weimaraners will be published in early 2014. This book will contain details of all weimaraners gaining a champion, show champion, field trial or working trial champion title between 1998 and 2013 (inclusive). Each page details dog's name, date of birth and stud book number and their owner and breeder. Each page features a full-colour photograph of the dog and a colour four-generation pedigree beneath.

Books can be ordered in advance and either posted, or collected at some shows. The book should be printed and ready for collection at Crufts 2014.
