### **GSP**

A superb entry, full of quality.

**P (3,1)** 1 Pearson's Ladyhawke California Star. An exciting young b, full of quality. So well balanced all through, totally sound and true. Sweet head, ultra feminine outline, well angled fore and aft moving out on an excellent length of stride with accurate footfall. I am sure she will grow on and do very well. Presented in first class muscle tone. BP. 2 Young & Booth's Keigame Goldsmith. Smaller framed male, well balanced with a nicely shaped head. Just needs time to mature and body up, presented in good order.

**J (2)** 1 Lisle's Barleyarch Rolex. Upstanding male of imposing stature. Masculine head, good shape to skull & eye & correctly set ears. Strong neck, well laid shoulder and useful return of upper arm. Lovely depth of forechest, well ribbed back, strong loin and well angled quarters. In superb muscle tone enabling a strong driving action around the ring. Handled to advantage and a well deserved BoB. 2 Pearson's Ladyhawke California Star.

**G (2)** 1 Lisle's Barleyarch Rolex. 2 Sielski Eairycor Tigerlilly at Orchidstar. Nicely made bitch, feminine and well made all through, and in superb condition. Outshone by the winner who was on top form today.

**O (4,2)** 1 Sielski's Eairycor Kara. Another b presented in excellent condition which is always a pleasure to see. Smart and tidy, lovely to go over this b is very typical. Sweet head of correct shape, well angled front assembly, good ribbing and well turned stifles. Moved out well enough when settled, just preferred the back length of the young male today in a close decision for BoB. 2 Brown & Davies Barleyarch Bourneville at Gamebourne. Thought this b was a lovely shape, well balanced and angled but for me too big all through. Moved out well and handled to advantage.

**David R. Alcorn (Judge).**
