

SUSSEX CLUB AUSTRALIA

PRESIDENTS ADDRESS AUGUST 2008

Well our 2008 National Show is over.

A great success!

Largest exhibition of Sussex ever held in Australia.

Many thanks to all who attended, sponsors, exhibitors, stewards, committee members, and a special Thank

You to our judge John Graveur.

Congratulations to those that attained recognition.

Hope that you all accomplish a very productive breeding program, ensuring an abundance of pristine champions for our next event.

Regards.
