If you are a player looking to join a team, or you have never played before but have reasonable rollerblading ability and have thought about giving it a go, why not come along to a training session with us and see if rink hockey is for you.

Netminder Required. Eastleigh Vikings are also seeking an experienced netminder to be a permanent addition to our team to replace our previous minder who retired from the game last season. We have been playing our league games with guest keepers from other teams.
