2012 Annual Report

In these difficult time,s changes good and bad have been felt by many organizations, and Appalachian is no exception. The changes which have occurred in our region have been identified. The Board is taking on the challenges to find the resources, participants, and facilities.

ACTIONS TO BE TAKEN

- We are trying to recruit new memberships and members
- We are searching for partnerships were possible
- We are identifying new areas to recruit from
- We are seeking out new & old resources

The Appalachian Board is discussing having some form of competitive sporting event during 2013. This is based on having an event that would be contested for the offered events. The numbers for attending must be met prior to preset cutoff date.
