

The harsh reality is that Croydon is one of the biggest 'ports' for human trafficking in the UK.

We want that to stop and we want the people enslaved by this trade in human life to be given justice.

Join us in the fight to rid our town of the injustice of slavery that is Human Trafficking.

## facts

- Croydon has the 3rd largest sex industry in London\*.
- There are 100 advertising brothels in Croydon.
- 84% of the women in these brothels are highly likely to have been trafficked.
