

WMWI

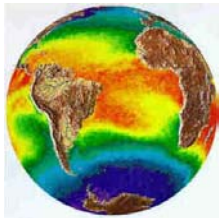

Monthly Newsletter June 2007 No 31

www.womens-institute.org.uk/oxfordshire
Meeting at St Margaret's Institute Polstead Road

The Second Tuesday of every Month- Tel: Jane Finnerty on 01865 553304 for further details
President Anne Wiles – Secretary Julie Goodall Tel 427787

Walton Manor

Next WI Meeting Tuesday June 11th 7:30

Pat Clark – Science coordinator for OFWI will come to give a fascinating talk 'Climate Change and You' – you will love it

WI Showcase In addition we are going to show off some of our WI member's talents

and small businesses with a showcase of their wares Isabel Milward, Judith Condor Vidal, Rachna Bahl, Teresa Hasman and Amanda Goodgame will all be taking part and of course there is an obligation to buy but there is an opportunity if you wish to do so.

Raffle Rachna Bahl is kindly donating a prize

Meeting May 8th

We had a great turnout for all the Gardening talk last month from Rachel Myers – hope that got you all in the mood for Chelsea Garden show!

On the subject of gardens we are still awaiting a date for our visit to *Highgrove House* so watch this space

SOS! Please help support the Gatehouse café

We really need to get a box of items to them this month – just bring a can of Tuna or peanut butter or small toiletries. They do appreciate our support

SPEAKERS ANY IDEAS

EMAIL Susan Wright at susanwright10@yahoo.co.uk
We start booking in autumn for next year

Events

A Midsummer Evening

Lets hope the sun shines on our annual event which is always a huge success

23rd June 2007

Summer Supper

As you know we don't have a meeting in August and propose to continue our tradition to dine out – 7th August
The Anchor Hayfield Road
More details next month

Trinity College Oxford

Tuesday 2nd
October 2-4:30pm
Make a date in your diary to spend an afternoon at Trinity College Oxford with Claire Hooper,

Community Sentence Co-ordinator-
Thames Valley Probation Area explaining more about sentencing for women. This is very topical to the Women's Prison Reform resolution launched at our AGM. Afterwards enjoy refreshments and a short tour of the College. Further details to follow BY KIND PERMISSION OF THE PRESIDENT AND FELLOWS

The WI carbon Challenge and Car Sharing

Do we do enough to share journeys shopping or travelling to events? Do you think we could all do more?

Following the sustainable transport workshop we have a 'Tool Kit' that could help us so will be discussed at a future meeting

Tea at the RITZ watch out for details! It's this October

Packaging Awareness Day

**10 - 12 on 30th of June
SUMMERTOWN M&S**

Come along to raise customer's awareness of over packaged items – even if it is just for an hour – just turn up it will be fun!

Now a bright idea!

The WI Carbon Challenge

What would be the 'saving' both financially and to our carbon foot print to Oxfordshire and to ourselves if we all committed to changing the light bulbs in our standard and table lamps? Most households have in excess of five lamps and the cost of replacing these bulbs to energy saving ones is now very inexpensive and far outweighs the savings in no time

We have a light bulb library so that you

can see the wide variety that is now available
