4-H YEARBOOK & CATALOG

AD SALES KIT

Every club that sells \$500 or more will receive
10% of their total ad sales for their club treasury.

Sale ends April 24th

What is the Yearbook and Catalog? This book is published every summer prior to the Somerset County 4-H Fair. It is a record, in photos and text, of the events of the past 4-H year. It is a memory book for 4-H families and a promotional tool for the program and is made available free of charge. **Commercial Advertisements and Special Messages and Friends Ads** are placed in the Somerset County 4-H Yearbook to cover the cost of the book and to help support the Fair, the building and the 4-H program.

Why Sell Ads? The Ad Sale helps the Association pay for the Somerset County 4-H Fair. Our Fair is the largest, FREE Fair under tents on the East Coast. But the tents, awards, buses, insurance, etc. are not free to the Association. Everyone can help support the fair by selling ads to keep the fair a FREE family event for all.

In addition, Ad Sales help the Association pay 4-H Center building expenses. The Somerset County 4-H Association provides the building where many of our 4-H Clubs conduct their monthly meetings and many county-wide 4-H events. The Association owns this building, and therefore must pay for maintenance, insurance, lights, heat, electricity, and other expenses to keep the building available for 4-H clubs to use FREE OF CHARGE all year long.

How Do You Sell Ads? Ask your friends and family members to take out a special message ad or a friends ad. Ask businesses to take out a commercial ad. When you go to a business, take a copy of last year's catalog with you, so they can see what the ad might look like. 2008 Yearbook and Catalogs are available in the lobby of the 4-H Center. Take supporter ribbons, available at the 4-H Office, and present one to the buyer. Members should always have an adult with them to sell ads. They should never go door to door to sell ads, or speak to people they do not know without an adult. Remember to carry a few ad forms and a catalog in the car.

New for 2009... See special message instructions

If you have any questions about the forms, or need to check whether an ad has been received, please contact the Ad Sale Chairperson, Joanna Lieuallen at advertise4H@gmail.com.

Instructions for Leaders

2009 4-H Yearbook and Catalog Ad Sales

Deadline for Ad Sales is April 24th. Every club that sells \$500 or more will receive 10% of their total ad sales for their club treasury.

The Yearbook and Catalog Ad Sale is a 4-H fund-raiser for the Somerset County 4-H Association. Club members can learn responsibility and community service by selling ads. Families can work together to sell ads to help support the 4-H Fair, the 4-H Center and your 4-H club.

Club Leaders Should:

- Make sure every 4-H family in the club receives an ad sales kit.
- Discuss ad sales at meetings. Review rules and prizes with members.
- Encourage parents to help with ad sales.
- Turn in ad forms and payment to the 4-H Center as soon as they are received.
- Make sure members give "thank you" supporter ribbons and yearbook & catalogs to those that buy business ads. These are available at the Office and the Center.
- Help your club to design a club ad and buy space in the catalog.
- Encourage 100% participation in ad sales.

If You Need:

Supplies: Extra ad forms, supporter ribbons, and copies of last year's book are available for pick-up weekdays at the 4-H office (call 908-526-6644), weeknights at the 4-H Center from the Building Manager, Mrs. DelGigante, or on the web at <http://www.4HisTops.org/adsales.html>

Ad Leads & Information Pertaining to Club Sales: Need ideas for ads, or want to know whether members in your club have sold ads or what your club total is? Visit <http://www.4HisTops.org/adsales.html> or email Joanna Lieuallen at advertise4H@gmail.com.

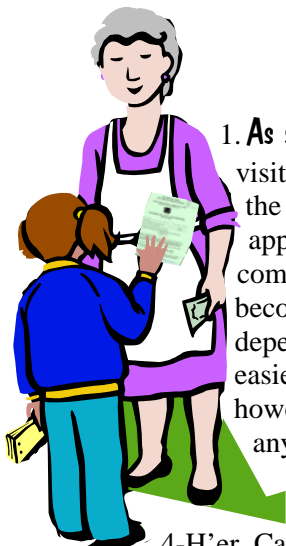

For Your Convenience

Ad sale money can be turned in to the 4-H office weekdays from 8:30 a.m. until 4:30 p.m. or to the 4-H Building Manager evenings from 7:30 until 9:30 p.m. during March and April.

No door to door sales permitted by youth without adult chaperone.

Instructions for Members

1. **As soon as you receive your ad package,** visit or call the representatives from the ads you sold last year. Businesses appreciate one sales person that comes back every year and may become steady customers you can depend on each year. They are the easiest ads to get. Please be aware, however, ads are not owned by anyone; therefore if you don't act soon, your ads from last year could be sold by another

4-H'er. Carry forms and sample catalogs in your car so they are available wherever you go. Turn in ads as soon as possible.

2. **Use a separate form for each ad.** You can get more forms from your club leader or from the 4-H Center. A helpful shortcut – write your name, telephone number and club name on an original ad form, and then make double-sided copies. Your information will already be on the form and you won't have to worry about forgetting to fill it out. Or, you may download from <http://www.4HisTOPs.org/adsales.html>

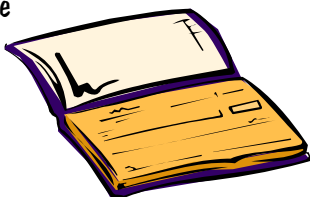

3. **Fill in all blanks on both sides.** You and your club cannot get credit if we cannot tell who sold the ad. Remember to print legibly and list only one member and one club on each form.

4. **Print the ad in one of the ad spaces or attach "camera ready" copy.** Use the correct size so the advertiser can see how the ad will look in our book. If an advertiser wants us to copy a business card or last year's ad or something else, paper clip the copy to the form and mark the ad space "see copy". Please make sure the ad looks exactly as the customer wants it to look in the catalog. It should be "camera ready" if possible.

5. **If the Advertiser would like to send the copy electronically,** it may be emailed to advertise4H@gmail.com.

6. **Friends ads should be submitted on the "Friends Ad" form.** Print the name legibly in the boxes. Leave blank boxes for spaces between words. The customer pays \$1.00 for each line. NAMES ONLY.

7. **Correct payment in full must come with ad. – NO EXCEPTIONS**

8. **Say "Thank You" and give a Supporter ribbon.** Give advertisers a 4-H Fair Yearbook & Catalog Ad Sale Support ribbon. These green ribbons are available at the 4-H Office/Center.

Ad sale money may be turned in to the 4-H Office weekdays between 8:30 a.m. and 4:30 p.m. or to the 4-H Center building manager weekdays between 7:30 p.m. and 9:30 p.m. anytime through April 24 to make sure you receive credit.

Remember...Ad Sales Deadline is April 24! (No credit for sales will be given after this date.)

Remember...4-H Members: **ALWAYS** have an adult with you to sell ads. Never go door to door to sell ads, or speak to people you do not know without an adult.

Remember...Help the editors by turning ads in as soon as you get them.

The 4-H Association supports the 4-H Program by sponsoring the Fair and the Center. 4-H Members and Volunteers are encouraged to help as much as possible.

Types of Ads

There are many different types of ads that 4-H members and families can sell. There are different price ranges, so it is easy for someone to find just the right ad for their needs.

Friends of 4-H These ads are \$1.00 per line and include a **name only**, up to 35 spaces, per line. Use the friends' ads form. Print the name legibly in the boxes. Leave blank spaces between words. The customer pays \$1.00 for each line. One family name per line. Example – John Smith, or Mary & John Smith, or The Smiths, or Mary, John, Justin & Jerry Smith.

Special Message Ads This \$20.00 ad allows the buyer to print a special message to anyone in 4-H. Business logos are not permitted here. Example – Best wishes to the Somerset County 4-H Clubs, love Grandma and Grandpa Smith.

Commercial Ads (also called Display Ads)

Commercial ads allow businesses to place a business card, or special advertisement in the yearbook and catalog. There are five different sizes:

Business card	\$50.00
1/8 page	\$60.00
1/4 page	\$90.00
1/2 page	\$150.00
Full page	\$250.00

Sellers should give each Commercial Ad buyer a "thank you" supporter ribbon and after it is printed, a copy of the new yearbook & catalog. These are available at the 4-H Office, during office hours, and from the 4-H Center building manager, in the evenings. Please remind these buyers that they can also buy commercial space at the fair.
