Dear (team name) parents,

Coaches love teaching our kids how to play sports! This year our Coach(s) would like to propose that they help teach the kids another important lesson by joining in to help thousands of kids win the battle against Childhood Cancer.

(Coach Name) works hard all season to coach the kids and as a thank you everyone pitches in to purchase a thank you gift at the end of the season. This year let's instead honor (Coach Name) with a donation to Neuroblastoma Pediatric Cancer Research in his name. In return for this donation an organization called Coins4Kids will provide us with a Certificate of Appreciation and an original, Coaches' Lanyard & Whistle to be presented to (Coach Name.)

Coins4Kids was founded by teenage brothers Jon & Greg Maher from Libertyville, IL, in honor of their little cousin Dawson who was diagnosed at age 3 with a Childhood Cancer called Neuroblastoma (NB). After learning about the historical lack of funding for NB pediatric research and knowing that without research there is no cure, Jon and Greg are making a difference. Inspired by many Coaches while participating in Baseball, Football, Soccer and LaCrosse they know that Coaches can make a difference too! Now lots of Coaches and their teams are joining in to help.

The money that is donated will go to the most promising Pediatric Research Studies as designated by the Children's Neuroblastoma Research Foundation (CNCF), and it's renowned Medical Board. Every penny counts and will go to where it will have the most impact for the kids and families who are waiting for new treatments and a cure!

Together, we can make a difference!

Can Your Team Do More?

Yes, you can use your own fundraising ideas as well. This is what others are doing...

- Get the word out and create collection containers for donations of spare change to be set up at the sports field, concession stand and/or at designated local sponsors.
- Encourage the concession stand to offer a special menu item of which all or partial proceeds will be donated to Pediatric Cancer Research.
- Coaches/Parents/Sponsors are donating a set amount of "Give Game" dollars to the cause for each game during the season. Knowing that teamwork is the key to success, they are recruiting friends, colleagues and officials to contribute as well!
- Baseball: Sell advertising space to local businesses for a sign(s) to be placed on the outfield fence. Players who hit the sign during the season receive a prize and/or the sponsor makes an additional monetary contribution to the cause in the player's name.
- Start a giving chain and ask 5 friends to donate their spare change and then have them ask 5 of their friends to do the same.

Please let us know if you have a great idea! We would love to include it in this list. Enthusiasm knows no bounds in helping kids win the fight against Childhood Cancer.
