

## This Week's Events October 26, 2020

Listing **free** and low-cost, family-friendly, music, dance, outdoor, and art events in West Michigan, Kzo-GR. I have tried to include clickable links for as many events as possible. If the clicks do not work for you, check out *This Week* (PDF) on my Dancealot website.

<http://dancealot.webs.com/> Updates and corrections are also there, so you can check there after Sunday to catch additions and corrections.

Google **Maps** to venues is at <http://goo.gl/maps/ULuRr>

Of course, indoor events with more than 10 fans continue to be cancelled. Michigan Executive Order 2020-160, and now, the Health Department limits indoor gatherings to 10 people or fewer and, across most of the state, limit outdoor gatherings to 100. Outdoor concert season is over.

*For the duration, we pretty much have to make up our own individual safe activities. Trail hiking and biking are very popular.*

**Wednesday**, October 28 - Proven Trails weekly hike, noon.

**Friday**, October 29 - GLAC often has Friday hikes in the Kalamazoo area and announces them to members on the club web site.

**Saturday**, October 31 - *All Hallows Eve*. Do not go door-to-door.

**Sunday**, November 1 - *Feast of All Saints*

*Daylight Time (EDT) ends.*

Bob's Barn concert 3 pm. Jam, wearing masks, 4:00 p.m., Lake Odessa. It appears to be not well ventilated. But it is live streamed, probably on Lake O cable?

It is said that age difference in couples does not matter much after age 60 because individuals vary so much. Some die at 55, and some participate in active sports at 92.

This free weekly calendar, with clickable links for many of the organizations sponsoring these free and low-cost events, is available at my Dancealot website, <http://dancealot.webs.com/> Links for venue locations, maps, and carpools are also available

at that website. There are three ways to get this information:

- Ask to be put on Cal's weekly email list. Over 60 folks have chosen to do this.
- Go to the Dancealot website. I am not perfect, and if additions or corrections to this calendar are brought to my attention, they will be updated on the website. Of course, you can download the PDF located there to your Kindle or other device.
- The Dancealot West Michigan page on Facebook is also updated weekly and has a link to the web page. You can also view most of the above information, a whole month at a time, in your browser on the GRFAS Google Calendar.

Any comments, questions, or to add or drop an email subscription, email to Cal, Sir Dancealot, at [cal.mi.mpc@gmail.com](mailto:cal.mi.mpc@gmail.com). Or text on Facebook Messenger. The new FM is amazing, the face of the future. You can write text messages, send voice clips, or face to face video chat. It works on smartphones and on computers and other devices.
