**Throughout the day.** This event relies on the goodwill of the local police and organisations such as the Greenwich Town Centre management, the Old Royal Naval College, National Maritime Museum and the Royal Parks so, please take note of the following guidelines:

Do not walk in the road! [sometimes unavoidable, but listen out and keep an eye on what those at the front are doing]

Keep together! We do not want to let the procession get too strung out; also important when crossing the road.

No collecting in Cutty Sark Gardens, the grounds of the Old Royal Naval College or Greenwich Park.

Pedestrians have priority on the footpaths in Greenwich Park,

If you have small children or dogs, keep an eye on them - it is hard for musicians, when playing, to see what is happening at ground level!

**Our volunteer First Aider is Peter Kansson. He will probably be the one with the hurdy gurdy.**
