About Irene Gut Opdyke

[Irene Gut Opdyke](#) was born in a small town in Eastern _____ called Koziencice. Her birth date was May 5, 1922. Later on she moved towards the border of Poland near _____. In 1934 _____ became both Chancellor and President. This worried Irene's family because they had heard that he wanted to _____ and that could endanger her family. Despite her family's arguments, Irene went west to the city of Radom, at age _____, to go to a nursing school. On September 1, 1939 _____ and quickly invaded the country forcing Irene and her family into exile. Thus, her story begins.
