

PETITION TO BAN THE RODEO AT THE LUGARNO SPRING FAIR

Rodeo events such as buck jumping, bull riding, calf roping and steer wrestling have been documented to cause the animals involved fear, stress and pain, and expose them to the risk of serious injuries and even death.

We, the residents of St George & Sutherland Shire & the City of Sydney, do not believe that cruelty to animals constitutes entertainment. We hereby pledge that we will not attend an event which causes and promotes cruelty and the suffering of animals. We call upon Hurstville City Council to abandon the rodeo planned for the Lugarno Spring Fair, scheduled for 23 September 2012.
