

FABULOUS Cars made in St. Clair County

The History of Autos Produced Locally

Lecture at the Wills Sainte Claire Auto Museum

The "Thing", Northern, Havers and Wills Sainte Claire were autos produced in St. Clair County.

Did you know that they made amazing cars locally?

The Wills Sainte Claire Auto Museum is proud to present an entertaining and interesting lecture by Terry Ernest about cars made in our county on Friday evening, September 21st, 2018 at 7:30 PM at the Wills Auto Museum located at 2408 Wills Street (Marysville Industrial Park South) in Marysville.

Have you ever heard of the "Thing"? How about the Northern Automobile Company? Studebaker? Havers? Wills Sainte Claire? All of these companies (and more) produced cars in our county! We have a rich history producing transportation. Some of these companies you may have never heard of! Come to the lecture and learn about the many unique cars that were made locally.

\$6.00 admission charge covers the presentation and admission to the Museum.

Please join us at the Wills Museum at 7:30 PM on Friday, September 21st, 2018!

RESERVATIONS ARE REQUIRED. Please contact Terry Ernest: 810-987-2854
